TERMS AND CONDITIONS FOR ALL THREE NEW HOME CONSTRUCTION REBATE OPTIONS:

Note: The conditions listed below are in addition to the specific terms and conditions associated with each rebate option.

- This program is effective January 1, 2014 through December 31, 2014 for any homes started during this time period.
- Program subject to change due to proposed state building energy code changes.
- These programs are eligible for single family homes or duplexes in Iowa only.
- Residential buildings with three units or more may only participate in the multifamily homes program.
- Builders must pre-register their projects for a rebate by contacting 1-888-476-9534 or enrolling online at *alliantenergy.com/newhomeconstruction*.
- Because Alliant Energy relies on field verification for rebates, Alliant Energy will be conducting random spot checks of field verifications during the construction process. Field verifiers are described as HER raters and pre-payment evaluators (BOP).
- Heating and cooling customers are defined as customers where Alliant Energy provides the fuel to both the heating and cooling sources installed in the home.
- Heating only customers are defined as customers where Alliant Energy provides the fuel to the heating source installed in the home but not the cooling source.
- Cooling only customers are defined as customers where Alliant Energy provides the fuel to the cooling source to the home, but not the heating source.
- HVAC and water heating equipment processed through the prescriptive rebate program disqualify the project from receiving a New Home Construction rebate.
- Rebate levels will be prorated for homes less than 1,800 square feet in size.
- All buildings must be completed within three years to be eligible for a rebate. The rebate is paid per the program requirements and rebate rates available when construction started.
- Rebate payment for the rebate (identified above) can be paid to the builder or the homeowner, but cannot be split.
- Tier I and Tier II documentation must include: SAVE report, Fuel Summary Report, IECC 2012 Code Checklist, HERS certificate showing IECC 2012 Compliant.

Before you turn in your form, remember to:

❒ Fill out the form completely.

❒ Sign the Customer Signature and Certification section. If a dealer installed the equipment, the dealer must sign the Builder section.

❒ We recommend that you mail the completed form, receipts, and other required documentation within 90 days of installation.

Mail completed forms to:

Alliant Energy Rebate Center
P.O. Box 938
Cedar Rapids, IA 52406-0938

FAX: (319) 450-0218

To avoid delays and processing errors, please choose only one option. Do not fax **AND** mail your form.

Rebate processing services are fulfilled for Alliant Energy by Michaels Energy located in Cedar Rapids, Iowa.

Please allow up to six to eight weeks for your rebate, after Alliant Energy receives your properly completed rebate claim form, receipts and any other required materials. Rebates less than $1,000 will come on a prepaid Visa® card. Cards are issued by Citibank, N.A. pursuant to a license from Visa U.S.A. Inc. and managed by Citi Prepaid Services. Cards will not have cash access and can be used everywhere Visa debit cards are accepted.
