Footnotes: 1/ Rates available for existing units only. No new installations of these unit types are offered.

Energy Supply Cost Adjustment: Rider 1M applicable hereto.

Resource Adjustment Charge: Rider RAC applicable hereto.

Conservation Improvement Program Cost Recovery Adjustment: Rider 1C applicable hereto.

Renewable Energy Recovery Adjustment: Rider RER applicable hereto.

Service to be Furnished: The Company will furnish all electric energy required to operate the Municipality's street lighting system. All maintenance shall be the responsibility of the Municipality.

Any additions to the Municipality's ornamental system shall be at its own expense.

Effective as of June 15, 1991 for Mercury Vapor units and Fluorescent units, the Company's rate shall only provide for energy.

Excess Facilities Charge: Any facilities required to provide service in excess of that permitted under this Schedule or the Company's Electric Service Standards shall be provided at a monthly amount equal to 1.6% of the Company's investment in such facilities.
