

## It's all about you and great technical energy career pathways.

### Introduction to Energy Basics

- Alliant Energy designed this online program for high school juniors and seniors
- Alliant Energy Iowa's Technical Training Team and subject matter experts join with our training partner Iowa Valley Business and Community Solutions (part of Iowa Valley Community College District) to give you an overview, a real "insider's look" of the energy/utility industry and apprenticeships
- The program shows you the opportunities in technical careers in energy and explains these great careers!
- It also give you "base" knowledge if you're selected for a 2024 paid high school internship
- The online program is **FREE** and **FLEXIBLE**
- The program will run **Thursdays, February 8 – April 18, 2024 – 1 – 3 p.m.**
- Students are encouraged to attend "live," but if not available, can watch the recorded version of that week's program
- 2024 will be the **4<sup>th</sup> year** of the program!
- All Iowa students (juniors and seniors) are eligible for the program – if chosen for internship, must be 30 minutes or 30 miles from an Alliant Energy operations center
- **Registration** begins Oct. 1, 2023 and closes Jan. 31, 2024
- For more information on the program or registration materials, contact:
