ELECTRIC TARIFF

Filed with the I.U.B.

ORIGINAL TARIFF NO. 1

Tenth Revised Sheet No. 55

Canceling Ninth Revised Sheet No. 55

Rider TAX – Tax Adjustment Clause

Applicable:

To all Electric Prices:

When any franchise, occupation, sales, license, excise, permit, privilege or similar tax or fee of any kind is imposed upon the Company by any governmental authority based upon (i) the sale of electric service sold to customers, (ii) the amount of electric energy sold to customers, (iii) the gross receipts, net receipts or revenues to the Company therefrom, or when the Company is required pursuant to pre-existing agreements to provide service without charge, such tax or fee or value of service shall, insofar as practical, be charged on a pro rata basis to all customers receiving electric service from the Company within the boundaries of such taxing authority. Any such charge shall continue in effect only for the duration of such tax, assessment or service period.

Current Applicable Requirements

Iowa Sales Tax:

A state sales tax, as set forth in Section 422.43 of the Iowa Code, shall be applied to all billings for electric service, unless excepted under the provisions of Section 422.45, Iowa Code, and regulations applicable thereto.

Local Option Sales Tax:

Where a local option tax, as set forth in Section 422B of the Iowa Code, has been imposed in a county, it shall be applied to all billings for electric service to customers within the designated area(s) of application, except where such billings are subject to a franchise or user fee and therefore exempt under Rule 701-107.9 of the Iowa Admin. Code.

School Infrastructure Local Option Tax:

Where a school infrastructure local option tax, as set forth in Section 422E of the Iowa Code, has been imposed in a county, it shall be applied to all billings for electric service to customers within the county, except where such billings are subject to a franchise or user fee and therefore exempt under Rule 701-107.9 of the Iowa Admin. Code.

Government Facilities Relocation Rider:

Where public property conversion that is required by a governmental unit will be charged to the governmental unit or to the Company's customers within the governmental unit under provisions of Rider GFR.

Franchise Requirements:

Dubuque:

A franchise fee of 5 percent shall be applied to all billings for electric service furnished within the city of Dubuque, authorized June 1, 2015.
