

REBATES

Minimum efficiencies:

All units must equal or exceed efficiency rating of 14.1 EER (closed loop) or 16.2 EER (open loop). Rebate payment will be based on ARI directory-verified efficiency. Maximum of 20 tons. Larger units will be paid as a custom rebate.

Rebate:

Step A.	Cooling BTUH	12,000 (not available for replacement of existing groundloop)	tons	300
Step B.	EER	- 1 .1	1 0 (closed loop)	
or	EER	- 1 .2	1 0 (open loop)	
		(not available for water-to-water units)		
Step C.	Add	200 if desuperheater installed		
Step D.	Add	1 0 if COP is 3.3 or greater (closed loop)		
or	Add	1 0 if COP is 3. or greater (open loop)		

TOTAL REBATE

TERMS AND CONDITIONS

IMPORTANT: Please read the following information before completing the Rebate Claim Form on the reverse side.

All references to the utility providing the rebates are to Interstate Power and Light Company (an Alliant Energy Company) hereinafter referred to as Alliant Energy-IP&L.

- Participants must be retail, electric and residential, agricultural, commercial or industrial customers of Alliant Energy-IP&L in Iowa.
- Alliant Energy-IP&L must supply the electricity to the equipment for which the rebate is being paid.
- New equipment must be installed by a participating dealer on the premises and must not be purchased for resale.
- Alliant Energy-IP&L reserves the right to inspect and verify the installation before any rebate payment is made.
- Alliant Energy-IP&L reserves the right to meter the specified equipment or process, at no cost to the customer, to determine the actual energy saved for up to 18 months after installation.
- All stated rebate levels will not exceed the customer's equipment costs minus any manufacturer or dealer rebates.
- Rebates apply to new and replacement installations of qualified equipment. In replacement situations, the efficiency of the equipment installed must be higher than that of the equipment removed.
- If groundloop is not being replaced with new equipment, rebate only applies to EER (Step B), Desuperheater (Step C) and COP (Step D).
- If geothermal equipment is a water-to-water unit, rebate only applies to tons (Step A), Desuperheater (Step C) and COP (Step D).
- Customers are responsible for ensuring that equipment installed for this program meets all applicable codes, standards and regulatory requirements.
- Geothermal units for swimming pools and hot tubs do not qualify.
- Alliant Energy-IP&L offers a New Home Construction energy-efficiency program. If the customer is purchasing and installing a new geothermal system in a newly constructed home, the customer may take advantage of the Geothermal rebate, the New Home Construction rebate, but not both. The customer's signature under the Customer Release acknowledges that the customer waives the New Home Construction rebate.
- Alliant Energy-IP&L does not guarantee that installation of high-efficiency equipment will result in reduced usage or demand, or in cost savings. Alliant Energy-IP&L makes warranties, expressed or implied, with respect to any equipment purchased and/or installed including, but not limited to, any warrant of merchantability or fitness for purpose. No event shall Alliant Energy-IP&L be liable for any incidental or consequential damages.
- Alliant Energy-IP&L does not endorse any particular manufacturer, product, or system design in promoting this rebate program. Listing a product does not constitute an endorsement, nor does it imply that unlisted products are defective in any way.
- Alliant Energy-IP&L reserves the right to modify or end this rebate program at any time without prior notice.
- This program is effective January 1, 2007 through December 31, 2007 and is subject to periodic review by Alliant Energy-IP&L.
- Any purchase of energy-efficient equipment must occur between January 1, 2007 and December 31, 2007 to qualify for rebates. Receipt must show retail equipment cost. Installation of energy-efficient equipment must occur between January 1, 2007 and February 28, 2008.
- Claim forms must be submitted within 30 days of installation.
- Claim forms postmarked after March 31, 2008 will be denied.

RELEASE AND INDEMNITY

WHEREAS, Alliant Energy-IP&L has entered into a Dealer Participation Agreement with Dealer on the reverse side of this document

WHEREAS, the undersigned is a Customer of the Participating Dealer and not a Customer of Alliant Energy-IP&L for purposes of any transaction between Participating Dealer and Customer, including purchase and/or installation of equipment

WHEREAS, it is the intent of Alliant Energy-IP&L and Dealer that no agency, joint venture or partnership between Alliant Energy-IP&L and Dealer or Customer will be created as a result of the sale, construction, installation and rebate on the equipment or materials

NOW, THEREFORE, for valid consideration, receipt of which is hereby acknowledged:

1. Customer and Dealer hereby agree to assume all risk of loss associated with the geothermal equipment and to defend, indemnify and hold harmless Alliant Energy-IP&L, its agents, officers, directors, employees and assigns, and to release same from any and all liabilities, claims, demands, actions and causes of action whatsoever arising out of or related to any loss, damage or injury, including death, injury to persons or property, that may be sustained by the undersigned or a third party in connection with the installation, use or possession of the aforementioned equipment, or relating in any way to the Dealer Participation Agreement or any Rebate Claim.

2. **WARRANTIES AND WAIVER.** Customer acknowledges, warrants and agrees that the Services, materials and equipment is suitable for its purposes and agrees that it has had the opportunity to inspect said equipment and takes possession of same "AS-IS WHERE-IS without any warranties or representations whatsoever" other than any applicable manufacturer's warranties.

Customer specifically acknowledges that Alliant Energy-IP&L makes no representations or warranties of any kind as to the merchantability, fitness for a particular purpose, design or condition of the equipment. Any warranty on the equipment shall be provided through the equipment manufacturer. Alliant Energy-IP&L makes no representations or warranties of any kind as to the installation or operation of the equipment by Dealer. Alliant Energy-IP&L shall not be liable, in contract, tort, and strict liability or otherwise, whether or not resulting from any of the foregoing or otherwise on account of any defect, whether hidden, latent or otherwise discoverable or undiscoverable respecting the equipment.

THE SUM TOTAL LIABILITY OF ALLIANT ENERGY-IP&L TO CUSTOMER AND DEALER WITH RESPECT TO ANYTHING DONE IN CONNECTION WITH THE DEALER PARTICIPATION AGREEMENT OR THE REBATE CLAIM, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR UNDER ANY OTHER LEGAL THEORY SHALL NOT EXCEED THE AMOUNT OF THE REBATE.

ALLIANT ENERGY-IP&L SHALL NOT IN ANY EVENT BE LIABLE FOR SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS OR REVENUE, LOSS OF USE OF SITE SYSTEMS OR PROPERTY, COST OF CAPITAL OR CLAIMS BY CUSTOMER OR DEALER OR DAMAGE TO CUSTOMER OR DEALER'S PROPERTY OR ANY THIRD PARTY'S PROPERTY.

3. Customer and Dealer further acknowledge that Alliant Energy-IP&L will not provide insurance coverage for the Customer or Dealer, and that it is the Customer or Dealer's responsibility to procure insurance coverage against any hazards relating to the equipment to protect persons and property.

Mail your completed Rebate Claim Form and sales receipts to:
Energy Efficiency Programs
Alliant Energy-IP&L
P.O. Box 351
Cedar Rapids, IA 52406-0351

Or fax to: (319) 786-4746. (If you fax your claim form, please do not mail to avoid possible duplication.)

Please allow six to eight weeks for receipt of your check after Alliant Energy-IP&L has received your properly completed Rebate Claim Form and receipt.
