SPECIFIC TERMS AND CONDITIONS

- A. HERS paperwork must show home meets the IECC 2009 Energy Code.
- B. If the builder or the homeowner is to receive the entire rebate amount, their information should be listed as the Person or Company Receiving rebate. If the builder is an Energy Efficiency Dealer the mailing address for the rebate must match their Energy Efficiency Dealer address.
- C. Rebates may be designated to both a homeowner and a builder if the builder is an Energy Efficiency Dealer. If both parties are to be paid portions on the rebate, then the homeowner should be listed as the Person or Company Receiving rebate and the Builder's information should be entered on the Builder Release along with their Dealer ID number. The rebates going to the homeowner and the builder should be indicated accordingly on the claim form.
- D. The home's square footage should not include the basement unless the basement is finished space.
- E. Participants must be residential (single-family or duplex) customers of Alliant Energy in Iowa.
- F. A federal tax ID number or social security number is required for processing any rebate, except if the tax status of recipient is residential. Under Builder Release, a federal tax ID number or social security number is required for processing any rebate unless the builder is already an Alliant Energy Energy Efficiency Dealer and has supplied their Dealer ID.
- G. New home equipment eligible for the New Home Construction rebate must be installed, reported on the New Home Construction rebate claim form and submitted one time only. Alliant Energy will not pay rebates for new home equipment submitted on other Alliant Energy rebate claim forms.
- H. All manufacturer, model number and serial number fields must be completed for Alliant Energy to approve the rebate.
- I. Alliant Energy will pay for a maximum of one heating and/or cooling unit under the New Home Construction program. If multiple heating and/or cooling units are installed, Alliant Energy will pay for the first qualifying unit under the New Home Construction program and any additional qualifying units under the respective prescriptive program.
- J. Builder must provide certification from a RESNET-certified HERS rater showing the home meets or exceeds ENERGY STAR standards. Builder and/or customer is responsible for the cost of the HERS rating and fuel summary report.
- K. This program is effective January 1, 2012 through December 31, 2012 for any homes started during this time period.
- L. Rebate Claim Forms must be submitted within 90 days of home's completion date.
- M. All buildings must be completed within 3 years to be eligible for a rebate. The rebate is paid per the program requirements and rebate rates available when construction is started.

GENERAL TERMS AND CONDITIONS

IMPORTANT: Before completing and signing the form, please read the General Terms and Conditions located in the rebate booklets, or at alliantenergy.com/terms.

RISK OF LOSS, INDEMNITY AND DISCLAIMER

WHEREAS, while Alliant Energy may have entered into a Dealer Participation Agreement with Dealer on the reverse side of this document, any transaction for the purchase and/or installation of equipment pursuant to this rebate claim is between the Participating Dealer and the Customer identified on the reverse side of this document. As a signatory to this document, you understand that Alliant Energy is not a party to such transaction and neither the Participating Dealer nor the Customer shall have any recourse to Alliant Energy related to such transaction.

NOW, THEREFORE, for good and valuable consideration, which is hereby acknowledged, by your signature you agree as follows:

- 1. RISK OF LOSS; INDEMNITY.** Customer and Dealer hereby agree to assume all risk of loss associated with the equipment and to defend, indemnify and hold harmless Alliant Energy, its agents, officers, directors, employees and assigns, and to release same from any and all liabilities, claims, demands, actions and causes of action whatsoever arising out of or related to any loss, damage or injury, including death, injury to persons or property, that may be sustained by Customer, Dealer or a third party in connection with the installation, use or possession of the equipment or performance of the services, or relating in any way to the Dealer Participation Agreement or any rebate claim.
- 2. DISCLAIMER.** Customer acknowledges, warrants and agrees that the services, materials and equipment have been provided by a third party, are suitable for its purposes and meet the criteria for a rebate hereunder. Any warranty on the equipment or services shall be provided through the equipment manufacturer or supplier or service provider. *Customer specifically acknowledges that Alliant Energy makes no representations or warranties of any kind, express or implied, as to the merchantability, fitness for a particular purpose, design or condition of the equipment or services.* The sum total liability of Alliant Energy to Customer and Dealer with respect to any claim or liability arising out of or related to this rebate claim, whether in contract, tort (including negligence), or other legal theory shall not exceed the amount of the rebate. Alliant Energy shall not in any event be liable for special, indirect, incidental or consequential damages, including but not limited to, loss of profits or revenue, loss of use of site systems or property, lack of savings, cost of capital, or claims by Customer or Dealer for damage to property or injury to persons including any third party.
- 3.** Customer and Dealer further acknowledge that Alliant Energy will not provide insurance coverage for the Customer or Dealer, and that it is the Customer and Dealer's responsibility to procure insurance coverage against any hazards relating to the equipment to protect persons and property.
