

Rebates are issued on a first-come, first-served basis. Rebates and incentives are offered until approved funds are exhausted or through December 31, 2019, whichever comes first. Submission of claim form does not guarantee payment. Alliant Energy reserves the right to modify or end this rebate program at any time without prior notice.

The age of your home determines the amount of your rebate	
New home	Existing home
Homes less than five years old	Homes five years or older

Heating and cooling

Equipment	Qualifications (Additional information on claim form)	Rebate
Air-source heat pump (< 65,000 BTUH)	Minimum SEER = 15 Minimum EER = 12.5 Minimum HSPF = 8.5 Must be listed in the current AHRI directory Condenser and evaporator coil must both be replaced. Must be an Alliant Energy electric customer	Up to \$480 for new homes Up to \$800 for existing homes
Mini-split heat pump	Must be an Alliant Energy electric customer The equipment must be listed in the current AHRI directory Must be an inverter-based unit Cooling-only systems are not eligible Rebate is paid based on each outdoor compressor unit Home must be five years or older Mini splits have additional requirements based on the type of unit and your heating service provider Please see a full listing of requirements for mini splits at alliantenergy.com/rebates or call 1-866-ALLIANT (866-255-4268)	Whole - house units up to \$200 Supplemental units up to \$50
Central air conditioner	Must be an Alliant Energy electric customer Minimum efficiency requirements: SEER 15 and EER 12.5 Unit must be less than 65,000 BTUH Condenser and evaporator coil must both be replaced Must be listed in the current AHRI directory	Up to \$360 for new homes Up to \$600 for existing homes
Efficient gas furnace (< 225,000 BTUH)	Must be an Alliant Energy natural gas customer Minimum efficiency requirement AFUE ≥ 96% Must be an IPL gas customer	Up to \$80 for new homes Up to \$180 for existing homes

Heating and cooling

Equipment	Qualifications (Additional information on claim form)	Rebate
Geothermal	<p>Must be an Alliant Energy electric customer</p> <p>The equipment must be ENERGY STAR® and listed in the current AHRI directory.</p> <p>Must be a new geothermal system including equipment and ground loop</p> <p>See rebate claim form for types, applications and other qualifications</p>	<p>Up to \$1,050 for new homes</p> <p>Up to \$1,750 for existing homes</p>
