

**1. Previous Balance (Actual)**

This is your budget balance on your account as of the last bill issued.

**2. Previous Balance (Budget)**

This is the budget balance on your account before this bill was issued.

**3. Payment Received**

This is the amount you paid with the billing cycle. This payment might be more or less than the account balance.

**4. Balance Forward**

This is the difference between the Previous Balance and Payment Received.

**5. Current Charges (Actual)**

These are the current costs for this billing cycle and would be the total due if you weren't enrolled in *Budget Billing*.

**6. Current Charges (Budget)**

This amount is the monthly budgeted bill, plus or minus any overpayments, underpayments, or credits. It is budgeted to be the average of the most recent year of usage history.

# Your *Budget Billing* energy bill explained

Customers who participate in *Budget Billing* have additional features on their bills.
