

1. Previous Balance (Actual)

This is your budget balance on your account as of the last bill issued.

2. Previous Balance (Budget)

This is the budget balance on your account before this bill was issued.

3. Payment Received

This is the amount you paid with the billing cycle. This payment might be more or less than the account balance.

4. Balance Forward

This is the difference between the Previous Balance and Payment Received.

5. Current Charges (Actual)

These are the current costs for this billing cycle and would be the total due if you weren't enrolled in Budget Billing.

6. Current Charges (Budget)

This amount is the monthly budgeted bill, plus or minus any overpayments, underpayments, or credits. It is budgeted to be the average of the most recent year of usage history.

Your Budget Billing energy bill explained

Customers who participate in Budget Billing have additional features on their bills.
