

INTERSTATE POWER AND LIGHT COMPANY GAS TARIFF

Filed with the IOWA UTILITIES BOARD

ORIGINAL TARIFF NO. 1

SECOND SUBSTITUTE TENTH REVISED SHEET NO. 74
CANCELLING NINTH REVISED SHEET NO. 74

ALL PRICING ZONES RIDER RCE – RATE CASE EXPENSE

Applicable:

To all therm sales under applicable retail natural gas rate schedules. The RCE factor is applied on a monthly basis to base distribution volumetric charges for applicable customer classes for the purpose of billing. The cost recovery factors are added to the non-gas prices per therm for the purpose of billing. All provisions of the Customer's current applicable rate schedule will apply in addition to this charge.

N

Rate Case Expense factors to be applied to all uses for bills rendered in the September 2025 through January 2028 billing months:

N

<u>Class</u>	<u>Rate Codes</u>	<u>\$/Therm</u>
