

Transportation & Innovation Expo

A conference and expo featuring sustainable transportation, infrastructure and technology solutions

Oct. 11, 2023
Exhibition Hall at the Alliant Energy Center
Madison, Wisconsin

Transportation & Innovation Expo

Agenda

Conference – Open to registered conference attendees

Time	Event	Location
7:30 a.m. – 8:30 a.m.	Registration, Expo and Continental Breakfast	Hall A, B, C & D
8:30 a.m. – 8:55 a.m.	<p>Welcome</p> <p>Scheduled Speakers Lorrie Lisek, Executive Director, Wisconsin Clean Cities Satya Rhodes-Conway, Mayor, City of Madison JP Brummond, Vice President – Customer and Community Engagement, Alliant Energy Erinn Monroe Nye, Energy Services and Policy Manager, Madison Gas and Electric</p>	Hall A, B, C & D
9:00 a.m. – 10:50 a.m.	Breakout Sessions	Mendota 5 - 8
11:00 a.m. – 11:30 a.m.	<p>Keynote</p> <p>Nader Nasr, Senior Vice President, Technology and Engineering, Oshkosh Corporation</p>	Hall A, B, C & D
11:30 a.m. – 12:50 p.m.	Lunch, Expo, Ride & Drive and Vehicle Demonstrations	Hall A, B, C & D and East Parking Lot
1:00 p.m. – 2:50 p.m.	Breakout Sessions	Mendota 6 - 8
3:00 p.m. – 3:50 p.m.	<p>Funding Session</p> <p>Scheduled Speakers Maria Redmond, WI Office of Sustainability & Clean Energy Anthony Maietta, U.S. Environmental Protection Agency Kaleb Vander Wiele, WI Department of Transportation Jeff Carpenter, U.S. Department of Agriculture</p>	Hall A, B, C & D
3:50 p.m. – 4:00 p.m.	Closing Remarks and Prize Drawing	Hall A, B, C & D

Expo and Ride & Drive Agenda – Free and open to the public

Time	Event	Location
7:30 a.m. – 4:00 p.m.	Expo	Hall A, B, C & D
11:30 a.m. – 3:30 p.m.	Ride & Drive (Time Subject to Change Pending Vehicle Availability)	East Parking Lot

Morning Breakout Sessions

Time	Topic	Location
9:00 a.m. – 9:50 a.m.	<p>Paving the Way for Clean Buses: Sustainable Options for School and Public Transportation</p> <p>Learn how to address challenges and expand opportunities for bus fleets.</p> <p>Moderator: Tyler Salamasick, U.S. Environmental Protection Agency</p> <p>Panelists: Craig Hayes, Wild Rose School Dave Dorsett, Kerlin Bus Sales Rob Arroyo, Go Riteway Transportation Group Justin Stuehrenberg, Madison Metro Patrick Wilson, Wisconsin Bus Sales</p>	Mendota 5
	<p>Driving the Future: Advancements in Light and Medium Duty Electric and Other Clean Fuel Vehicles</p> <p>Discover the latest innovations propelling sustainable transportation forward.</p> <p>Moderator: Marianne Mintz, Argonne National Laboratory</p> <p>Panelists: Kevin Zamastil, Rosen Automotive Group Nick Jarmusz, AAA Steven Vogel, Fields Volvo Madison</p>	Mendota 6 & 7
	<p>Sustainable Outlook: Solutions for Heavy Duty and Non-Road Fleets</p> <p>Explore cutting-edge solutions for refuse, and non-road equipment, and fleet sustainability.</p> <p>Moderator: Jeff Gerdin, Cummins</p> <p>Panelists: Jeff Brimmer, Kriete Truck Centers Hank Wieland, Lakeside International Trucks David Giese, America's Service Line Craig Anderson, Orange EV</p>	Mendota 8

Visit wicleancities.org/expo for additional event information.

Don't forget to check out the exhibitors and vehicles on display in the Exhibition Hall, and attend the Ride & Drive event until 3:30 p.m.

Morning Breakout Sessions

Time	Topic	Location
10:00 a.m. – 10:50 a.m.	<p>Small Fleets, Big Impact: Lead the Charge for Implementing Clean Fleets in Your Community</p> <p>Learn how small fleets can drive environmental sustainability, and foster community-wide change.</p> <p>Moderator: Andrew Byrne, Potawatomi Business Development Corporation</p> <p>Panelists: Chief Joel Trepczyk, Somerset Police Department Cheryl Lytle, Wisconsin Propane Gas Association Bailey Arnold, American Lung Association Jerry Swedberg, EnTech/Faith Technologies</p>	Mendota 5
	<p>Fueling the Future: Developing Electric and Other Clean Vehicle Fueling Infrastructure</p> <p>Hear from industry experts about the key elements for establishing robust, and efficient, clean vehicle fueling and charging solutions.</p> <p>Moderator: Brad Schmoll, CMD Corporation</p> <p>Panelists: Johanna Seminario, Optimus Technologies Matt Hansen, ANGI Energy Systems John Waldron, Shive-Hattery Adam Schwartz, Kwik Trip Jerry Miller, U.S. Energy</p>	Mendota 6 & 7
	<p>Connected Fleets: Telematics, Software, and Sustainable Solutions for Fleet Management</p> <p>Discover how the power of telematics, cutting-edge software, and sustainable solutions, are revolutionizing fleet management.</p> <p>Moderator: Jeff Tews, City of Milwaukee</p> <p>Panelists: James Seeber, IBM Rick Harding, Systems & Telematic Solutions/Geotab Chris Shaffer, Utilimarc Kurt Kim, Motor Guardian</p>	Mendota 8

Visit wicleancities.org/expo for additional event information.

Don't forget to check out the exhibitors and vehicles on display in the Exhibition Hall, and attend the Ride & Drive event until 3:30 p.m.

Afternoon Breakout Sessions

Time	Topic	Location
1:00 p.m. – 1:50 p.m.	<p>Grid Resilience: Building Utility Preparedness, Workforce Readiness, and Mitigating Impacts</p> <p>Delve into critical aspects, and address barriers to ensure a reliable energy future.</p> <p>Moderator: Ted Bohn, Argonne National Laboratory</p> <p>Panelists: Jacob Feutz, Entech/Faith Technologies Paul Jaworski, ABB Dave Hedin, Pieper Electric Jeff Springer, Dairyland Power Cooperative</p>	Mendota 6 & 7
	<p>On the Road to Sustainability: Driving the Change with Fleet Transition Case Studies</p> <p>Hear real-world case studies that showcase how fleet transitions are driving tangible sustainable transformations.</p> <p>Moderator: Mahanth Joishy, City of Madison Fleet Services</p> <p>Panelists: Jason van den Brink, Ozinga Energy Keith Kerman, New York City Fleet</p>	Mendota 8

Time	Topic	Location
2:00 p.m. – 2:50 p.m.	<p>Policy Roadmap: Enabling the Transition to Sustainable Transportation</p> <p>Engage with industry analysts and policy makers to navigate opportunities and challenges at state and federal levels.</p> <p>Moderator: Erinn Monroe Nye, Madison Gas and Electric</p> <p>Panelists: Emma Heins, Electrification Coalition Brian Hogge, U.S. Federal Highway Administration Trevor Jung, City of Racine Deb Erwin, Xcel Energy</p>	Mendota 6 & 7
	<p>Driving It Home: Building Your Business Case</p> <p>Explore financial strategies, such as RINs, eRINs, and alternative fuel tax credits, that embrace clean fuel solutions for a sustainable future.</p> <p>Moderator: Arthur Harrington, Godfrey Kahn</p> <p>Panelists: Brian Coker, Chevron REG David Erdman, Baker Tilly Ted Bohn, Argonne National Laboratory</p>	Mendota 8

Visit wicleancities.org/expo for additional event information.

Don't forget to check out the exhibitors and vehicles on display in the Exhibition Hall, and attend the Ride & Drive event until 3:30 p.m.

Exhibitors

AAA-The Auto Club Group
All Energy Solar
Alliant Energy
Altec
ANGI Energy Systems
Argonne National Laboratory
Aring Equipment
Bergstrom
Bollinger Motors
BorgWarner
Brigade Electronics
Brooks Tractor
Carbon Day EV Charging
City of Madison
Clean Fuels Alliance America
CMD Corporation
Couillard Solar Foundation
Cummins
Drive Electric Wisconsin
Engineered Representation Inc.
EV Energy Group
Faith Technologies
FirstGreen Industries
Fleet Cycles
Forward Thinking Systems
Hoffman Manufacturing Corporation
IBEW Local 159
IBM
Inertial Electric
Ingeteam
Lakeside International Trucks
Madison Gas & Electric
Monroe Truck Equipment
Motor Guardian Cam Inc.
Nuvve Holding Corporation
Orange EV
Ozinga
Ramaker
RENEW Wisconsin
Rosen Nissan Madison
Shive-Hattery
Thayer Energy Solutions
United Aircraft Technologies
United Soybean
Viking Electric
WEC Energy Group
Westphal & Company
Wisconsin Clean Cities
Wisconsin Propane Education &
Research Council
Wisconsin Sustainable Business Council
Xcel Energy
YES Equipment & Services

Transportation & Innovation Expo

Find out what it's like to own an EV with our new online tool

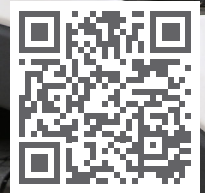

Over 1 million electric vehicles (EVs) are on U.S. roads with more than 26 million projected by 2030.

If you're one of the millions interested in an electric vehicle, let us help you on your journey.

Scan the QR code to check out our online tool before you make the switch.

- **Get a personal estimate.** Find out your savings potential based on your driving habits, electricity use and more.
- **Compare options.** View options side by side to understand potential cost impacts.
- **Make an informed decision.** Learn if an EV may be a good investment for you. Take the first step to see your potential EV savings and more today.

Learn more about EVs and explore your options at alliantenergy.com/goelectric.

Salute to **Mahanth Joishy** for Leadership in Bringing Soy-Biobased Products to Madison, Wisconsin

For more information, visit soybiobased.org

2X FARTHER

Actually, propane autogas school buses can drive more than **two and a half times** farther on a full tank compared with an electric bus on a full charge.

Thank You

for Attending This Year's T&I Expo!
