The facts

The event

Join us for the 20th anniversary of **Drive Out Hunger**, sponsored by the Alliant Energy Foundation to benefit food banks in Iowa and Wisconsin.

The date

Tuesday, October 6, 2026

Registration starts at 7 a.m.

Play begins at 9 a.m.

Reception and awards at 2 p.m.

The cause

Drive Out Hunger supports seven local food banks and other great organizations that fight hunger in Iowa and Wisconsin. These agencies operate hunger relief programs including food pantries, mobile pantries, emergency shelters, after-school programs and community kitchens.

\$1 = 10 meals

For every \$1 donated, food banks in Alliant Energy's service area provide the **equivalent of 10 meals**. Since its inception, Drive Out Hunger has raised more than \$6.9 million – the equivalent of more than 30 million meals – for neighbors in need.

Learn about the agencies working to make sure our neighbors have food on their tables at feedingamerica.org and find out more about the local need at map.feedingamerica.org.

Sponsorship opportunities

We encourage you to consider the various sponsorship levels available for this event. Each of these packages will provide thousands of meals to our neighbors in need.

All contributions are tax deductible. Your company will be recognized for its support, and your group can enjoy complimentary golf, meals and more.

Thank you for your support of this event. We look forward to seeing you this fall.
