

We achieved a **39% CO₂ emission reduction** from our utility operations from 2005 levels.

Our employees and retirees logged **80,000+ volunteer hours** and gave more than **\$9 million** to 1300+ nonprofit organizations.

Live Safety. Everyone. Always. Our first priority is no one gets hurt.

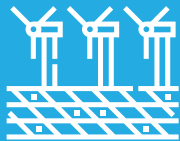

As a company, we have protected, enhanced, or restored over **17,000 acres** of habitat.

Alliant Energy is a Midwest U.S. energy company that serves approximately **1 million electric and 430,000 natural gas** customers across Iowa and Wisconsin.

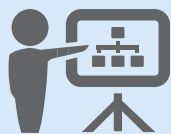

We partner with universities in Iowa and Wisconsin to study **agrivoltaics** – the use of land for both solar panels and agriculture.

We are among the **top 5 largest** owner operators of regulated solar and wind energy generation in the United States.

We responded to **99.7%** of gas emergencies within 60 minutes.

We are dedicated to **maintaining high standards of corporate governance and transparency.**

58% of our employees are covered under collective bargaining agreements.
