

How to add an account to your My Account profile

1. Log in to My Account.
2. Click on “MY PROFILE,” then “Service Addresses.”

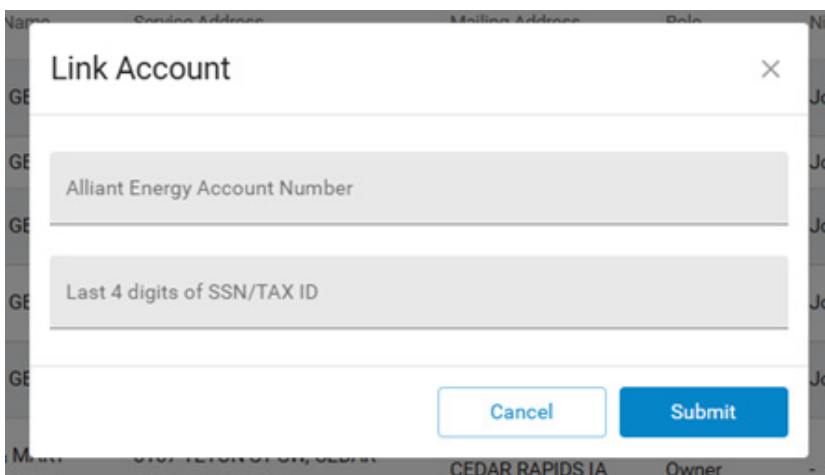

3. Click the Link Account button.

Service Addresses

4. Enter the Alliant Energy account number and the last four digits of the Social Security number or Tax ID on file. Click, “Submit.”

5. If you receive a message that tells you the account number is already registered, reach out to the primary account owner and ask them to follow the instructions to add a guest user.

 This account number has already been enrolled in My Account. Please try again with a different Alliant Energy account number.
